

A. FURTHER INFORMATION ABOUT OUR GROUP**1. Incorporation**

We were incorporated in the Cayman Islands as an exempted company with limited liability under the Cayman Islands Companies Law on June 22, 2010. We have established a place of business in Hong Kong at Room 605, Bank of America Tower, 12 Harcourt Road, Central, Hong Kong and registered as an overseas company under Part XI of the Hong Kong Companies Ordinance under the same address on April 30, 2013. Mr. Chan Sze Hon has been appointed as our agent for the acceptance of service of process and notices under the same address. As we are incorporated in the Cayman Islands, our corporate structure, and our Memorandum and Articles of Association are subject to the relevant laws of the Cayman Islands. A summary of the relevant provisions of our Memorandum and Articles of Association and certain relevant aspects of the Cayman Islands Companies Law are set out in Appendix VI to this prospectus.

2. Changes in share capital

As at the date of our Company's incorporation, our authorized share capital was US\$50,000 divided into 5,000,000 Shares of par value of US\$0.01 each. The following sets out the changes in our share capital since the date of our incorporation:

- (a) On June 22, 2010, our Company issued and allotted one Share to the initial subscriber Codan Trust Company (Cayman) Limited at US\$0.01 per Share and such one Share was transferred to Wuzhou International Group on the same day;
- (b) On November 29, 2011, Wuzhou International Group transferred one Share, representing its then entire shareholding in our Company, to Boom Win at US\$0.01 per Share; and
- (c) On August 13, 2012, our Company increased its authorized share capital to US\$100,000,000 divided into 10,000,000,000 shares at US\$0.01 each. On the same day, our Company issued and allotted 3,422,161,913 shares, credited as fully paid at par value to Boom Win by way of capitalization of the sum of US\$34,221,619.13 (being the amount necessary to pay up the such Shares at par value) out of the share premium account of our Company.

On May 27, 2013, Shareholder's resolutions were passed to approve, among other things, the Global Offering, details of which are set out below. Assuming that the Global Offering becomes unconditional and the Over-allotment Option and the options which may be granted under the Share Option Scheme are not exercised, our authorized share capital upon completion of the Global Offering will be US\$100,000,000 divided into 10,000,000,000 Shares of which 4,562,901,914 Shares will be allotted and issued as fully paid or credited as fully paid, and 5,437,098,086 Shares will remain unissued. Other than pursuant to the exercise of the Over-allotment Option or any options which may be granted under the Share Option Scheme, there is no present intention to issue any of the authorized but unissued share capital of our Company and, without the prior approval of the Shareholders at a general meeting, no issue of Shares will be made which would effectively alter the control of our Company.

Save as described above, there has been no alteration in our Company's share capital since the date of its incorporation.

5. Repurchases of our own securities

This section sets out information required by the Stock Exchange to be included in this document concerning the repurchase by the Company of our own securities.

(a) Relevant Legal and Regulatory Requirements

The Listing Rules permit our Shareholders to grant to our Directors a general mandate to repurchase our Shares that are listed on the Stock Exchange. Such mandate is required to be given by way of an ordinary resolution passed by our Shareholders in a general meeting.

(b) Shareholder Approval

All proposed repurchases of Shares (which must be fully paid up) must be approved in advance by ordinary resolutions of our Shareholders in a general meeting, either by way of general mandate or by specific approval of a particular transaction.

On May 27, 2013, our Directors were granted a general unconditional mandate to repurchase up to 10% of the aggregate nominal value of the share capital of our Company in issue immediately following the Global Offering (excluding shares which may be allotted and issued under the Over-allotment Option and options to be granted under the Share Option Scheme) on the Stock Exchange or on any other stock exchange on which our securities may be listed and which is recognized by the SFC and the Stock Exchange for this purpose. This mandate will expire at the earliest of (i) the conclusion of our next annual shareholders' general meeting, (ii) the date by which our next shareholders' general meeting is required by applicable laws and our Articles of Association to be held, or (iii) such mandate being revoked or varied by ordinary resolutions of our Shareholders in a general meeting (the "**Relevant Period**").

(c) Source of Funds

Our repurchase of the Shares listed on the Stock Exchange must be funded out of funds legally available for the purpose in accordance with our Memorandum and Articles of Association and the applicable laws of the Cayman Islands. We may not repurchase our Shares on the Stock Exchange for consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Subject to the foregoing, we may make repurchases with profits of our Company or out of a fresh issue of shares made for the purpose of the repurchase or, if authorized by our Memorandum and Articles of Association and subject to the applicable laws of the Cayman Islands, out of capital and, in the case of any premium payable on the repurchase, out of profits of our Company or from sums standing to the credit of the share premium account of our Company or, if authorized by our Memorandum and Articles of Association and subject to the applicable laws of the Cayman Islands, out of capital.

(d) Reasons for Repurchases

Our Directors believe that it is in our and our Shareholders' best interests for our Directors to have general authority to execute repurchases of our shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made where our Directors believe that such repurchases will benefit us and our Shareholders.

(e) Funding of Repurchases

In repurchasing securities, we may only apply funds legally available for such purpose in accordance with our Memorandum and Articles of Association, the applicable laws of the Cayman Islands and the Listing Rules.

On the basis of the current financial position of our Company as disclosed in this prospectus and taking into account the current working capital position of our Company, our Directors believe that, if the repurchase mandate were to be exercised in full, it might have a material adverse effect on our working capital and/or the gearing position as compared with the position disclosed in this prospectus. However, our Directors do not propose to exercise the repurchase mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of our Company or the gearing levels which in the opinion of our Directors are from time to time appropriate for us.

(f) Share Capital

The exercise in full of the current repurchase mandate, on the basis of 4,562,901,914 Shares in issue immediately after the Global Offering (without taking into account the exercise of the Over-allotment Option), could accordingly result in up to 456,290,191 Shares being repurchased by us during the Relevant Period.

(g) General

None of our Directors or, to the best of their knowledge having made all reasonable enquiries, any of their associates (as defined in the Listing Rules) currently intends to sell any of our Shares to us or our subsidiaries.

Our Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the repurchase mandate in accordance with the Listing Rules, our Memorandum and Articles of Association, and the applicable laws of the Cayman Islands.

If, as a result of any repurchase of our Shares, a Shareholder's proportionate interest in our voting rights is increased, such increase will be treated as an acquisition for the purposes of the Hong Kong Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate control of us and become obliged to make a mandatory offer in accordance with Rule 26 of the Hong Kong Takeovers Code. Our Directors are not aware of any consequences of repurchases which would arise under the Hong Kong Takeovers Code.

No connected person as defined by the Listing Rules has notified us that he has a present intention to sell his Shares to us, or has undertaken not to do so, if the repurchase mandate is exercised.

E. SHARE OPTION SCHEME

Summary of terms of the Share Option Scheme

The following is a summary of the principal terms of the Share Option Scheme conditionally adopted by a resolution in writing passed by our Shareholders on May 27, 2013 (“**Adoption Date**”):

1. *Purpose of the scheme and performance target*

The purpose of the Share Option Scheme is to enable our Group to grant options as defined in the Share Option Scheme to selected participants as incentives or rewards for their contributions to our Group. The Board has not specified any performance target that must be achieved before options can be exercised.

Given that the Directors are entitled to determine any performance targets to be achieved and that the exercise price of an option cannot in any event fall below the price stipulated in the Listing Rules or such higher price as may be fixed by the Directors, it is expected that grantees of an option will make an effort to contribute to the development of our Group so as to bring about an increase of market price of the Shares in order to capitalize on the benefits of the options granted.

2. *Who may join*

The Board may, at their absolute discretion, invite any person belonging to any of the following classes of participants (“**Eligible Persons**”), to take up options to subscribe for Shares:

- (a) any employee (whether full time or part time) of our Company, its subsidiaries or any entity (“**Invested Entity**”) in which our Group holds any equity interest, including any executive Director of our Company, its subsidiaries or Invested Entity;
- (b) any non-executive Director (including independent non-executive Director) of our Company, its subsidiaries or any Invested Entity;
- (c) any senior management of our Company, its subsidiaries or Invested Entity;

and, for the purposes of the Share Option Scheme, the options may be granted to any company wholly owned by one or more persons belonging to any of the above classes of participants. For

the avoidance of doubt, any person who falls within any of the above classes shall not, by itself, unless the Board otherwise determines, be construed as a grantee of option under the Share Option Scheme.

Upon acceptance of the option, the grantee shall pay HK\$1.00 to our Company as consideration for the grant.

3. *Maximum number of Shares*

(a) Subject to the provisions of paragraph 3(b) below:

- (i) The total number of Shares which may be issued upon exercise of all options to be granted under the Share Option Scheme and any other share option schemes of our Company must not in aggregate exceed 456,290,191 Shares, being 10% (“**Scheme Mandate Limit**”) of the Shares in issue immediately after completion of the Global Offering (assuming the Over-allotment Option is not exercised) unless our Company obtains a fresh approval from its shareholders pursuant to paragraphs (ii) and/or (iii) below. Options lapsed in accordance with the terms of the Share Option Scheme will not be counted for the purpose of calculating the Scheme Mandate Limit.
- (ii) Our Company may seek an approval from the shareholders in general meeting to refresh the Scheme Mandate Limit from time to time such that the total number of Shares which may be issued upon exercise of all options to be granted under the Share Option Scheme and any other share option schemes of our Company shall not exceed 10% of the Shares in issue as at the date of such shareholders’ approval. Options previously granted under the Share Option Scheme (including options which are outstanding, cancelled, lapsed or exercised in accordance with the Share Option Scheme) will not be counted for the purpose of calculating the new limit. Our Company must send a circular containing the information required under Rule 17.02(2)(d) and the disclaimer required under Rule 17.02(4) of the Listing Rules to the shareholders.
- (iii) Our Company may seek separate shareholders’ approval in general meeting to grant options over and above the Scheme Mandate Limit provided that the options in excess of the Scheme Mandate Limit are granted only to the Eligible Persons specified by our Company before such approval is sought and for whom specific approval is then obtained. Our Company must issue a circular containing the information required under Rule 17.02(2)(d) and the disclaimer required under Rule 17.02(4) of the Listing Rules to the shareholders.

(b) The maximum number of Shares which may be issued upon exercise of all outstanding options granted and yet to be exercised under the Share Option Scheme and any other share option schemes of our Company shall not in aggregate exceed 30% of the Shares in issue from time to time. No option may be granted under the Share Option Scheme and any other share option schemes of our Company if such limit is exceeded.

4. *Maximum entitlement of each participant*

The total number of Shares issued and which may fall to be issued upon exercise of the options granted under the Share Option Scheme (including both exercised or outstanding options) to each Eligible Person in any 12-month period must not exceed 1% of the issued share capital of our Company for the time being (“**Individual Limit**”). Any further grant of options in excess of the Individual Limit in any 12-month period up to and including the date of such further grant must be subject to the issue of a circular to the shareholders and the shareholders’

approval in general meeting of our Company with such Eligible Person and its associates abstaining from voting.

5. *Grant of options to connected persons*

- (b) Where any grant of options to a substantial shareholder or an independent non-executive Director of our Company, or any of their respective associates, would result in the Shares issued and to be issued upon exercise of all options already granted and to be granted (including options exercised, cancelled and outstanding) to such person in the 12-month period up to and including the date of such grant:
 - (i) representing in aggregate over 0.1% of the Shares in issue; and
 - (ii) having an aggregate value, based on the closing price of the Shares at the date of each grant, in excess of HK\$5 million;

such proposed grant of options must be approved by shareholders in general meetings of our Company. Our Company must send a circular to the shareholders. All connected persons of our Company must abstain from voting in favor of the proposed grant of options at such general meeting. Our Company shall comply with the requirements under Rule 13.40, Rule 13.41 and Rule 13.42 of the Listing Rules.

6. *Time of acceptance and exercise of Option*

An option may be accepted by an Eligible Person within 15 days from the date of the offer of grant of the option.

Subject to the discretion of the Board who may impose restrictions on the exercise of the option, an option may be exercised 1 year after the date on which the option is granted and shall expire on the earlier of the last day of (i) a 6 years period from the date of such grant and (ii) the expiration of the Share Option Scheme.

7. *Subscription price for Shares*

The subscription price ("**Subscription Price**") for Shares under the Share Option Scheme shall be a price determined by the Directors, but shall not be less than the highest of (i) the closing price of Shares as stated in the Stock Exchange's daily quotations on the date of grant of that option, which must be a business day; (ii) the average closing price of Shares as stated in the Stock Exchange's daily quotations for the five business days immediately preceding the date of grant of that option; and (iii) the nominal value of the Shares.

8. *Ranking of Shares*

Shares issued upon the exercise of an option shall not carry voting rights until the registration on our Company's register of members of the option holder as the holder thereof. If under the terms of a resolution passed or an announcement made by our Company prior to the date of exercise of an option, a dividend is to be or is proposed to be paid to holders of Shares on the register of members on a date prior to such date of exercise, the Shares to be issued upon such exercise will not be entitled to such dividend. Subject as aforesaid, Shares allotted upon the exercise of an option shall rank equally in all respects with the Shares in issue on the date of such exercise.

9. *Restrictions on the time of grant of Options*

No offer for grant of options shall be made after a price sensitive event has occurred or a price sensitive matter has been the subject of a decision until such price sensitive information has been announced pursuant to the requirements of Listing Rules. In particular, during the period commencing one month immediately preceding the earlier of (i) the date of the meeting of the Board for the approval of our Company's interim, quarterly, half-yearly or annual results (whether or not it is required under the Listing Rules), and (ii) the last date on which our Company must publish its interim, quarterly, half-yearly or annual results announcement under the Listing Rules (whether or not it is required under the Listing Rules), and ending on the date of the announcement of the results, no option may be granted.

The Board may not grant any option to any Eligible Person who is a Director during the periods or times in which Directors are prohibited from dealing in shares pursuant to the Model Code for Securities Transactions by Directors of Listed Companies prescribed by the Listing Rules or any corresponding code or securities dealing restrictions adopted by our Company.

10. *Period of the Share Option Scheme*

The Share Option Scheme will remain in force for a period of 6 years commencing from the Adoption Date.

11. *Lapse of Option*

If the grantee of an option ceases to be an Eligible Person by reason of:

- (a) termination of his employment (if the Eligible Person is an employee of our Company, its subsidiaries or any Invested Entity) as any one of more of the grounds that he has been guilty of misconduct, bankruptcy, insolvency or conviction for a criminal offence or has made any arrangements or composition with his creditors generally;

In the event of compromise or arrangement between our Company and its members or creditors is proposed for the purposes of or in connection with a scheme for the reconstruction of our Company or its amalgamation with any other company or companies, our Company shall give notice thereof to all option holders on the same date as it dispatches the notice which is sent to each member or creditor of our Company summoning the meeting to consider such a compromise or arrangement, and thereupon each option holder (or where permitted, his or her personal representative(s)) may by notice in writing to our Company accompanied by the remittance for the Subscription Price in respect of the relevant option exercise the option (to the extent not already exercised) either to its full extent or to the extent specified in such notice provided that the exercise of an option as aforesaid shall be conditional upon such compromise or arrangement being sanctioned by the court and becoming effective and as soon as possible thereafter our Company shall allot and issue such number of Shares to the option holder which falls to be issued on such exercise credited as fully paid and register the option holder as holder of such Shares.

13. Rights on winding up

14. Adjustments to the subscription price

In the event of any reduction, sub-division or consolidation of the share capital of our Company or any rights issue or capitalization issue, or any distribution of capital assets to shareholders pro rata, the Subscription Price or the number of securities subject to options already granted so far as unexercised and/or the subscription price and/or the method of exercise of the option shall be adjusted in such manner as the Board may think fair and reasonable, provided always that (i) an option holder shall have the same proportion of issued share capital of our Company as that to which he was previously entitled before prior to such adjustments; and (ii) no alteration shall be made the effect of which would be to enable a Share to be issued at less than its nominal value. The issue of Shares or other securities of our Group as consideration for the acquisition of any assets or business of our Group may not be regarded as a circumstance requiring adjustment. In addition, in respect of any such adjustments, other than any adjustments made on a capitalization issue, an independent financial adviser or the auditors of our Company must confirm to our Directors in writing that the adjustments satisfy the requirements of the relevant provision of the Listing Rules.

15. Cancellation of options

Any cancellation of options granted but not exercised must be approved by the Board, with participants and their associates abstaining from voting. New options may be issued to an option holder in place of his cancelled options only if there are available unissued options (excluding the cancelled options) within the limit set out in paragraph 3 above.
